Gentlemen.

Having been informed that you desired to purchase paintings for the Gallery, I take the liberty of informing you I have for sale a painting 4ft. x 4 ft. representing the "Death of General Montgomery at the battle of Quebec".

The painting is in good order, & was painted by Black of Philadelphia - & I have been informed was awarded a prize at the Philadelphia Art Exhibition some years ago. I will sell the painting cheap. The only copy I ever saw or heard of is at the Dept State Department

Mr. MacLeod:

Sir.

Will you please send by return mail 15 copies of the Verbal Fuccia, in return for the check for $3.50 inclosed. As our vacation begins next Thursday we are anxious that the photographs arrive before the afternoon of that day.

Respectfully.
Harriet Ransom.

P.S. As I cannot tell how much the postage will be, will you please let me send you that when the pictures come. I sent you eight stamps before, for two pictures which I ordered; but it was necessary to use but four of them. So you already have four stamps. If not I will send on next mail after photographs arrive.
